Very good instructions. Instructor was very helpful outside of class. Class inspires people to pursue subject. Instructor genuinely cares about subject.

2. Please comment on specific aspects of the course that need improvement.

The workload was high. Homework takes a lot of time to complete and was given every week, even during weeks of exams and close to when projects are due. (Maybe partially due to the requirement that homework needs to be typed)

3. If necessary clarify any of your previous responses or make additional comments:
